

# Higher

David Guetta, Joachim Garraud & Chris Willis

You know I need to go higher  
You know I need to go higher  
You know I need to go higher  
You know I need to go higher Don't ask me why  
I want to live  
Don't ask me why  
I want to hear  
Don't ask me why  
I need to high  
Don't ask me why  
You need to die  
Don't ask me why  
Don't ask me why  
You know I need to go higher  
You know I need to go higher  
You know I need to go higher  
You know I need to go higher  
Don't ask me why
