

# Slipping Away

## Sum 41

I'm slippin' away  
In every way  
I can't stay awake  
(Understand)  
I'm slippin' away  
(And I don't know why?) But tryin' to make it through each day  
I'm fallin' apart now in every way  
I'm findin' it harder to get by  
There's a hole in my heart  
And I don't know why?  
Now I've come to realize  
I'm slippin' away
