

# I Really Love You Girl

Bobby Brown

yeah! yeah yeah  
i really love you girl  
yeah baby!  
ohhhhh!(verse 1)  
ohh i think i have found the girl for me  
and she is the only one i need  
we fit together like a hand in a glove  
and there are never enough moment when we make love  
can i give you all my lovin cause your the only one in my life  
when you and me get such a feeling in my heart that i cannot hide cant you see  
(chorus)  
i really love my girl  
(i really love you girl)  
i really really love you girl yeah!  
i really love my girl  
(I really love you girl)  
i really really love you yeah(verse 2)  
when we go out baby we have a real good time  
we sit at a table for two candle light dinner and wine  
you and me girl will live as one forever yeah  
ohhhh love was made for you and me  
girl you know we got to be together yeah  
and i'll get down on my knees  
girl im begging you please  
not to leave me all alone  
(Chorus)  
i really love my girl  
(i really love you girl)  
i really really love you girl yeah!  
i really love my girl  
(I really love you girl)  
i really really love you yeah Dreams were made for those who sleep  
dreams are made for those who weep  
and you and me we belong together baby huh  
and i just want you to be the only one in my life  
don't leave me all alone  
BABY! Yeah Chorus(Bobby Adlibs)
