

Avril Lavigne

Seventeen, seventeen
Seventeen, seventeen
He was working at the record shop
I would kiss him in the parking lot
Tasting like cigarettes and soda pop
Seventeen (Seventeen)
He would tell me I was beautiful
Sneaking in the neighbour's swimming pool
Yeah, he taught me how to break the rules
Seventeen (Seventeen)
Hey, those days are long gone
But when I hear this song it takes me back
We were on top of the world
Back when I was your girl
We were living so wild and free
Acting stupid for fun
All we needed was love
That's the way it's supposed to be
Seventeen (Seventeen, seventeen)
Stealing beers out of the trailer park
Flicking lighters just to fight the dark
My favourite place was sitting in his car
Seventeen (Seventeen)
We laid a blanket on the roof top
That time I knew I wouldn't make him stop
The nights were cold but we kept 'em hot
Seventeen (Seventeen)
Hey, those days are long gone
But when I hear this song it takes me back
We were on top of the world
Back when I was your girl
We were living so wild and free
Acting stupid for fun
All we needed was love
That's the way it's supposed to be
We were running red lights
We were going all night
Didn't care about anything
'Cause it was you and me
We were living our dream
And we were seventeen
Oh, oh, oh, oh, oh, oh seventeen

Oh, oh, oh, oh, oh, oh seventeen
I remember what it felt like
Just a small town kind of life
If I could only just go back in time
Seventeen
We were on top of the world
Back when I was your girl
We were living so wild and free
Acting stupid for fun
All we needed was love
That's the way it's supposed to be
We were running red lights
We were going all night
Didn't care about anything
'Cause it was you and me
We were living our dream
And we were seventeen
Seventeen (Seventeen)
Seventeen (Seventeen)
Seventeen (Seventeen)
Seventeen
Seventeen
