

# Hail the Leaf

## Down

Brave river  
I can't sail  
Lone feeling  
That I might fail  
So I just smoke  
Let me tread, stoned  
Sixth hour  
Fail to rise  
And I cower  
In reality's eyes  
So I just smoke  
Let me tread, stoned  
(Smoke)  
(Stoned)  
I have fallen  
Scattered away  
Alone, I'll cry  
Broken shame  
So I just smoke  
Let me tread, stoned  
I can't feel you  
You can't breath  
No more sadness  
No more pain  
Not what feeds your broken ways  
No more sadness  
No more woe
