

# Alone

Bazzi

Your call has been forwarded to an automated voice message system Maybe I'm cold

Frozen from my past before, damn

Don't get too close

You won't find what you're looking for, I

Oh, no And I hope you don't judge me

All I know is how to be who I am

And if you start to touch me

I hope you know the place where we stand

Don't tell me that you love me

'Cause I won't love back

Don't tell me that you need me

'Cause I don't need that

Don't tell me that you want me

'Cause I'm on my own

So when we finish touching

Girl, I'm all alone

All alone, all alone Maybe I'm fine

Fine with being by myself, yeah

Maybe I'm not trying

Trying to have nobody else

I'm not And I hope you don't judge me

All I know is how to be who I am

And if you start to touch me

I hope you know the place where we stand

Don't tell me that you love me

'Cause I won't love back

Don't tell me that you need me

'Cause I don't need that

Don't tell me that you want me

'Cause I'm on my own

So when we finish touching

Girl, I'm all alone

All alone, all alone, yeah All alone

All alone

Alone
