Alone

Your call has been forwarded to an automated voice message systemMaybe I'm cold Frozen from my past before, damn Don't get too close You won't find what you're looking for, I Oh, noAnd I hope you don't judge me All I know is how to be who I am And if you start to touch me I hope you know the place where we stand Don't tell me that you love me 'Cause I won't love back Don't tell me that you need me 'Cause I don't need that Don't tell me that you want me 'Cause I'm on my own So when we finish touching Girl. I'm all alone All alone, all aloneMaybe I'm fine Fine with being by myself, yeah Maybe I'm not trying Trying to have nobody else I'm notAnd I hope you don't judge me All I know is how to be who I am And if you start to touch me I hope you know the place where we stand Don't tell me that you love me 'Cause I won't love back Don't tell me that you need me 'Cause I don't need that Don't tell me that you want me 'Cause I'm on my own So when we finish touching Girl, I'm all alone All alone, all alone, yeahAll alone
