## All I Really Want (2015 Remastered)

## **Alanis Morissette**

Do I stress you out?

My sweater is on backwards and inside out
And you say, "How appropriate."

I don't want to dissect everything today
I don't mean to pick you apart you see

But I can't help it

And there I go jumping before the gunshot has gone off

Slap me with a splintered ruler

And it would knock me to the floor if I wasn't there already If only I could hunt the hunterAnd all I really want is some patience

A way to calm the angry voice And all I really want is deliverance

Do I wear you out?

You must wonder why I'm relentless and all strung out

I'm consumed by the chill of solitary

I'm like Estella

I like to reel it in and then spit it out

I'm frustrated by your apathy

And I am frightened by the corrupted ways of this land

If only I could meet the Maker

And I am fascinated by the spiritual man

I'm humbled by his humble nature, yeahAnd what I wouldn't give to find a soulmate Someone else to catch this drift

And what I wouldn't give to meet a kindredEnough about me, let's talk about you for a minute Enough about you, let's talk about life for a while

The conflicts, the craziness and the sound of pretenses

Falling all around, all around

Why are you so petrified of silence?

Here, can you handle this?

Did you think about your bills, your ex, your deadlines?

Or when you think you're gonna die?

Or did you long for the next distraction?

And all I need now is intellectual intercourse

A soul to dig the hole much deeper

And I have no concept of time other than it is flyingIf only I could kill the killer

And all I really want is some peace, man

A place to find a common ground

And all I really want is a wavelength

All I really want is some comfort

A way to get my hands untied

And all I really want is some justice...
