

# Never Close Our Eyes

Adam Lambert

I wish that this night would never be over  
There's plenty of time to sleep when we die  
So let's just stay awake until we grow older  
If I had my way, we'd never close our eyes, our eyes, never I don't wanna let a minute get away  
'Cause we got no time to lose  
None of us are promised to see tomorrow  
And what we do is ours to choose Forget about the sunrise  
Fight the sleep in your eyes  
I don't wanna miss a second with you  
Let's stay this way forever  
It's only getting better if we want it to  
You know that I wish that this night would never be over  
There's plenty of time to sleep when we die  
So let's just stay awake until we grow older  
If I had my way, we'd never close our eyes, our eyes, never It's so hard to think this could fade  
away  
But what goes up must come down  
Why can't we just live life with no consequence?  
And always live in the now Forget about the sunrise  
Fight the sleep in your eyes  
I don't wanna miss a second with you  
Let's stay this way forever  
It's only getting better if we want it to You know that I wish that this night would never be over  
There's plenty of time to sleep when we die  
So let's just stay awake until we grow older  
If I had my way, we'd never close our eyes, our eyes, never  
You know that I wish that this night would never be over  
There's plenty of time to sleep when we die  
So let's just stay awake until we grow older  
If I had my way, we'd never close our eyes, our eyes, never
