

How Many Times (feat. Xavier Naidoo)

David Garrett, Franck Van der Heijden & Royal Philharmonic
Orchestra

How many times do you wanna do this?
To see that you're bleeding, you're wounded
How many times do you put me through this?
Over and over and over and over again How many times do you wanna do this?
That you're seeing that you're bleeding you're wounded
How many times do you put me through this?
Over and over and over and over again
Cross roads
Have to cross roads
Have to cross roads
Oh
cross roads
Have to cross roads
Have to cross roads
Oh We only wanted to live they say
We only wanted to live they say
We only wanted to live they say
We only wanted to live they say
We had nothing getting given away
We had nothing getting given away
We only wanted to live
Only wanted to live
Over and over and over
Over and over and over
Over and over and over and over again yeah
