

# Jump, Jump (feat. Kierra KiKi Sheard & 21:03)

## J Moss

PDA, I need you to hit me upside the head. I mean like you ain't never hit me before.

Uh! Thro' yo' hands up!

Thro' yo' hand up!

Pajam, baby!

Thro' yo' hands up!

J moss! Come on, come on, come on. I've got to say something.

Do something, move something.

Maybe I'll make something.

And call it Praise Jumping.

Jump, jump (Everybody)

Jump, Jump (Everybody get up)

I'm bout' to shake something

Like I'm bout' to break something.

Maybe I'll make something.

And call it Praise Jumping.

Jump, jump (Everybody)

Jump, Jump (Everybody get up)

Don't judge a book by the cover.

Tired of folk frontin' undercover.

Gonna provoke the wrong kinda' brother. (If you tried to shut me down) Hold up, I don't wanna keep quiet. It's been going on for too long.

Back off my soul's on fire. And Imma' move like I want. Get something on your mind.

That He did and you know He didn't have to do.

Are you alive and well?

Then show the world and tell! I've got to say something.

Do something, move something.

Maybe I'll make something. And call it Praise Jumping.

Jump, jump (Everybody)

Jump, Jump (Everybody get up)

I'm bout' to shake something

Like I'm bout' to break something.

Maybe I'll make something.

And call it Praise Jumping.

Jump, jump (Everybody)

Jump, Jump (Everybody get up)

Don't use the same old step.

Jump to the right slide to the left.

Point em' out if they ain't moved yet. We gon' have to put you out.

Hold up, I don't wanna be silent.

It's been going on for too long.
