

A Marshmallow World

Brenda Lee

It's a marshmallow world in the winter
When the snow comes to cover the ground
 It's the time for play
 It's a whipped cream day
 I wait for it the whole year around
Now those marshmallow clouds being friendly
 In the arms of the ever-green-trees
 And the sun is red like a pumpkin hay
 It's shining so your nose won't freeze
Oh' the world is the snowball, see how it grows
 That's how it grows
 Whenever it snows
The world is the snowball just for our soul
 So get up and roll it along
It's a yummm yummy world made for sweet hearts
 Take a walk with your favorite guy
 It's a sugar date what a spring is late
In winter it's a marshmallow world(It's a marshmallow world in the winter)
 (When the snow comes to cover the ground)
 It's the time for play
 It's a whipped cream day
 I wait for it the whole year around
 (Those marshmallow clouds being friendly)
 (In the arms of the ever-green-trees
 And the sun is red like a pumpkin hay
 It's shining so your nose won't freeze
Oh' the world is the snowball, see how it grows
 That's how it grows
 Whenever it snows
The world is the snowball just for our soul
 So get up and roll it along
It's a yummm yummy world made for sweet hearts
 Take a walk with your favorite guy
 It's a sugar date what a spring is late
In winter it's a marshmallow worldIt's a marshmallow world
 It's a snow covered world
 It's yummy, yummy world
 It's a marshmallow world
