Careless Whisper

Brian McKnight

I feel so unsure, as I take your hand
And lead you to the dance floor
As the music dies, something in your eyes
Calls to mind the silver screen
And all those sad goodbyesI'm never gonna dance again
Guilty feet have got no rhythm
Though it's easy to pretend
I know you're not a foolShould've known better than to cheat a friend

I know you're not a foolShould've known better than to cheat a friend And waste this chance that I've been given

So I'm never gonna dance again
The way I danced with you
Time can never mend

The careless whispers of a good friend To the heart and mind, ignorance is kind

There's no comfort in the truth

Pain is all you'll findI'm never gonna dance again Guilty feet have got no rhythm, no

Though it's easy to pretend
I know you're not a fool, no, noShould've known better than to cheat a friend
And waste this chance that I've been given

So I'm never gonna dance again

The way I danced with youWe could have been so good together

We could have make this last forever

But now who's gonna dance with me?

Please stay, stay, stay, stay

I can't pretend no more Know you're not a fool to cheat a friend

The way I danced with, I'm never gonna dance

I'm never gonna dance again

Never gonna dance again
