

# All Hallows Eve

## Type O Negative

Fall fires burn 'neath  
Black twisted boughs  
Sacrifice to above  
Smoke swirling quickly  
Towards misting clouds  
Offering of this blood  
Into the flames  
And without shame  
Consumed with howls  
And screams  
Pumpkins grin  
In their despair  
On All... Hallows Eve!  
Cruel be the wind  
As it quells my words  
I shout out to the rain  
Incantations I so hoped  
You've heard  
That you live again  
From deep Earth  
Brings forth rebirth  
Witness but I shant believe  
From below a chilling glow  
On All... Hallows Eve!  
Be spiderwebbed  
And glazed in frost  
She wears death beautifully  
More stunning now  
Than in her life  
On a bed of Autumn leaves  
Into her eyes  
And quite surprised  
I whispered  
"Don't you leave"  
Sing macabre songs  
And we'll dance 'til dawn  
On All... Hallow's Eve! Saint Lucifer hear me  
Praying to thee  
On this eve of all saints  
High be the price  
But then nothing is free  
My soul I'll gladly trade, All Hallow's Eve, All Hallow's Eve  
Cold is the night

In so many ways  
Luna round, full and bright  
Deep be the mud  
On the fresh dug graves  
On yours I recite  
An ancient spell  
I know so well  
Success is guaranteed  
I'll bring you back  
From where you've gone  
On All... Hallow's Eve! Saint Lucifer hear me  
Praying to thee  
On this eve of all saints  
High be the price  
But then nothing is free  
My soul I'll gladly trade, All Hallows Eve, All Hallows Eve...
