

I Hate What You Do to Me

2Face Idibia

 Hmm hmmm eh
I tell her ma'ilo ma'ilo ma'ilo oh We fight all day and make love all night
 We arrange the Place, and then we scatter it again
 See every time I look at you, I see a perfect picture of an angel
The next minute the demon comes out and I start to wonder where is my baby, eh I hate what
 you do to me, cannot tell you to go, cannot tell you to stay
I hate what you do to me, cannot tell you to go, cannot tell you to stay
I hate what you do to me, cannot tell you to go, cannot tell you to stay
 I hate what you do to me, I hate what you do to me
 Oh na na na ah, oh na na na ah
 Oh na na na ah, oh na na na ah, eh
 Me and you we like a smoking gun
 'Cause every time we argue, yes we are one
 I hate you, I love you, we have to choose one
 But every time you come around there is tension
 When you're not here I'm missing you
 When you not here there is peace in here
 Damn, I wanna share it with you
Wonder why it has to be this way I hate what you do to me, cannot tell you to go, cannot tell
 you to stay
I hate what you do to me, cannot tell you to go, cannot tell you to stay
 Oh na na na ah, oh na na na ah
 Oh na na na ah, oh na na na ah Tell me something I don't know
 'Cause what you are in love I expect you to know it is not so
 See I be your your man, you be my girl na so
 But now I don't understand, now I don't understand
Said, I hate what you do to me, cannot tell you to go, cannot tell you to stay
 I hate what you do to me, cannot tell you to go, cannot tell you to stay
 Oh na na na ah, oh na na na ah
Oh na na na ah, oh na na na ah I hate what you do to me, cannot tell you to go, cannot tell you to
 stay
I hate what you do to me, cannot tell you to go, cannot tell you to stay
 Oh na na na ah, oh na na na ah
 Oh na na na ah, oh na na na ah
