Applejack

Dolly Parton

(Dolly Parton)He lived by the apple orchard in this little orchard shack
His real name was Jackson Taylor but I called him AppleJack
Now old AppleJack was loved by everyone he ever knew
AppleJack picked apples but he picked the banjo too Play a song for me AppleJack, AppleJack
Play a song for me and I'll sing

Play a song for me AppleJack, AppleJack

Play a song, let your banjo ring Now I'd go down to AppleJack's almost everyday

We'd sit and we'd drink applejack that old AppleJack had made

Then he'd take his banjo down then he'd ask me if I'd sing

And he would play the banjo and I'd play my tambourine

Play a song for me AppleJack, AppleJack

Play a song for me and I'll sing

Play a song for me AppleJack, AppleJack

Play a song, let your banjo ring That's when I was just a kid and now that I am grown

All I have are memories, old AppleJack is gone

Oh but he left me his banjo and it always takes me back

And everytime I play it I still hear AppleJack Play a song for me AppleJack, AppleJack

Play a song for me and I'll sing

Play a song for me AppleJack, AppleJack

Play a song, let your banjo ring Play a song for me AppleJack, AppleJack

Play a song for me and I'll sing

Play a song for me AppleJack, AppleJack

Play a song, let your banjo ring

Play a song for me AppleJack, AppleJack

Play a song for me and I'll sing

Play a song for me AppleJack, AppleJack

Play a song, let your banjo ring
