

# Romeo and Juliet

## Dire Straits

A lovestruck Romeo sings the streets a serenade  
Laying everybody low with a love song that he made  
Finds a street light, steps out of the shade  
Says something like, "You and me babe, how about it?" Juliet says, "Hey it's Romeo, you nearly  
gave me a heart attack"  
He's underneath the window, she's singing, "Hey la, my boyfriend's back  
You shouldn't come around here, singing up at people like that"  
Anyway, what you gonna do about it? Juliet, the dice was loaded from the start  
And I bet, then you exploded in my heart  
And I forget, I forget, the movie song  
When you gonna realize, it was just that the time was wrong, Juliet? Come up on different  
streets, they both were streets of shame  
Both dirty, both mean, yes and the dream was just the same  
And I dreamed your dream for you, and now your dream is real  
How can you look at me as if I was just another one of your deals?  
Well you can fall for chains of silver, you can fall for chains of gold  
You can fall for pretty strangers and the promises they hold  
You promised me everything, you promised me thick and thin yeah  
Now you just say, "Oh Romeo, yeah, you know I used to have a scene with him" Juliet, when  
we made love you used to cry  
You said "I love you like the stars above, I'll love you till I die"  
There's a place for us, you know the movie song  
When you gonna realize, it was just that the time was wrong, Juliet? I can't do the talk like the  
talk on the TV  
And I can't do a love song, like the way it's meant to be  
I can't do everything, but I'll do anything for you  
I can't do anything 'cept be in love with you And all I do is miss you, and the way we used to be  
All I do is keep the beat, the bad company  
And all I do is kiss you, through the bars of a rhyme  
Julie, I'd do the stars with you, anytime  
Ah Juliet, when we made love you used to cry  
You said I love you like the stars above, I'll love you till I die  
There's a place for us, you know the movie song  
When you gonna realize, it was just that the time was wrong, Juliet?  
And a lovestruck Romeo he sings the streets a serenade  
Laying everybody low, with a love song that he made  
Find a convenient streetlight, steps out of the shade  
And says something like, "You and me babe, how 'bout it?"  
"You and me babe, how about it?"
