

Tonight

Miguel Migs

Verse 1:

I'm running behind in time
so much to do, so little time
I think you'll be alright tonight
I'll make it up to you some how... some how
I wanna see the world all by myself
and drift away to some where else
I'll make it up as I go
Tomorrow take another road

Chorus:
Don't try to find me... Tonight
I'm lost until the sun comes up
Don't try to find me... Tonight

Verse 2:

Some people wanna stay the same
I feel something new every day
No limit on what were here for.
So let me make my own place.
There so many precious things.
I always come back to you
There so many precious things.
I always come back to you

Chorus:

Don't Try to find me... Tonight
I'm lost until the sun comes up
Don't Try to find me... Tonight (x2)

Bridge:

Some people wanna stay the same
I feel something new every day (echo)
I'll make it up as I go

Tomorrow, take another road.

There so many precious things. so many precious things
There so many precious things. so many precious things

But I always come back to you. Chorus:

Don't Try to find me... Tonight
I'm lost until the sun comes up

Don't Try to find me... Tonight (x2) Don't Try to find me... I'm lost until the sun comes up.
Don't Try to find me... Tonight (beat fade out)
