Always

Bon Jovi

This Romeo is bleeding But you can't see his blood It's nothing but some feelings That this old dog kicked upIt's been raining since you left me Now I'm drowning in the flood You see, I've always been a fighter But without you, I give upI can't sing a love song Like the way it's meant to be Well, I guess I'm not that good anymore But baby, that's just me And I will love you, baby, always And I'll be there forever and a day, always I'll be there 'til the stars don't shine 'Til the heavens burst and the words don't rhyme And I know when I die, you'll be on my mind And I'll love you, alwaysNow your pictures that you left behind Are just memories of a different life Some that made us laugh, some that made us cry One that made you have to say goodbye What I'd give to run my fingers through your hair To touch your lips, to hold you near When you say your prayers, try to understand I've made mistakes, I'm just a man When he holds you close, when he pulls you near When he says the words you've been needing to hear I wish I was him With these words of mine To say to you 'til the end of timeThat I will love you baby, always And I'll be there forever and a day, alwaysIf you told me to cry for you, I could If you told me to die for you, I would Take a look at my face There's no price I won't pay To say these words to youWell, there ain't no luck In these loaded dice But baby if you give me just one more try We can pack up our old dreams And our old lives We'll find a place where the sun still shinesAnd I will love you, baby, always And I'll be there forever and a day, always I'll be there 'til the stars don't shine 'Til the heavens burst and the words don't rhyme I know when I die, you'll be on my mind

And I'll love you, alwaysAlways, always Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
