

# Dead To Me

Kali Uchis

I don't know what you've been told  
See, I am not your enemy, uh oh  
But if there's one thing that I know  
Is that you ain't a friend to me, uh oh So don't come for me unless I send for you  
Know you're dead to me (uh, oh)  
Just don't come for me, I won't send for you  
Know you're dead to me  
You're dead to me, oh You're dead to me  
You're obsessed, just let me go  
You're dead to me  
I'm not somebody you know  
You're dead to me  
Could you just leave me alone?  
You're dead to me  
What you say to me?  
I can't hear a thing  
Try to talk some sense to myself, but I won't listen  
I'm what God made of me  
Don't need to pretend  
It's okay to disagree, we don't have to be friends  
See, you think you got problems with me?  
But baby I don't even think about you  
You're mad at everything I do  
But what are you up to?  
I haven't a clue  
'Cause baby you're dead to me  
Why can't I be dead to you?  
I think that we both know the truth  
You're obsessed, just let it go  
You're dead to me  
You're obsessed, just let me go  
You're dead to me  
I'm not somebody you know  
You're dead to me  
Could you just leave me alone?  
You're dead to me Why can't you see you're dead to me?  
Just let it be, you're dead to me  
Why can't you see you're dead to me?  
Just let it be, you're dead to me You're obsessed, just let it go  
You're dead to me  
You're obsessed, just let me go  
You're dead to me

I'm not somebody you know  
You're dead to me  
Could you just leave me alone?  
You're dead to me  
You're dead to me
