Dead To Me

Kali Uchis

I don't know what you've been told See, I am not your enemy, uh oh But if there's one thing that I know

Is that you ain't a friend to me, uh ohSo don't come for me unless I send for you

Know you're dead to me (uh, oh)

Just don't come for me, I won't send for you

Know you're dead to me

You're dead to me, ohYou're dead to me

You're obsessed, just let me go

You're dead to me

I'm not somebody you know

You're dead to me

Could you just leave me alone?

You're dead to me

What you say to me?

I can't hear a thing

Try to talk some sense to myself, but I won't listen

I'm what God made of me

Don't need to pretend

It's okay to disagree, we don't have to be friends

See, you think you got problems with me?

But baby I don't even think about you

You're mad at everything I do

But what are you up to?

I haven't a clue

'Cause baby you're dead to me

Why can't I be dead to you?

I think that we both know the truth

You're obsessed, just let it go

You're dead to me

You're obsessed, just let me go

You're dead to me

I'm not somebody you know

You're dead to me

Could you just leave me alone?

You're dead to meWhy can't you see you're dead to me?

Just let it be, you're dead to me

Why can't you see you're dead to me?

Just let it be, you're dead to meYou're obsessed, just let it go

You're dead to me

You're obsessed, just let me go

You're dead to me

I'm not somebody you know You're dead to me Could you just leave me alone? You're dead to me You're dead to me
