Red Solo Cup

Toby Keith

Now, red solo cup is the best receptical
For barbecues, tailgates, fairs, and festivals
And you, sir, do not have a pair of testicals
If you prefer drinkin' from glass
Hey, red solo cup is cheap and disposable
And in fourteen years, they are decomposable
And unlike my home, they are not foreclosable
Freddy, man, can kiss my assWhoo!

Red solo cup
I fill you up
Let's have a party
Let's have a party
I love you, red solo cup
I lift you up
Proceed to party
Proceed to party

Now, I really love how you're easy to stack But I really hate how you're easy to crack

'Cause when beer runs down in front of my packWell, that, my friends, is quite yucky

But I have to admit that the ladies get smitten Admirin' at how sharply my first name is written

On you with a Sharpie when I get to hittin'On them to help me get lucky

Red solo cup
I fill you up
Let's have a party
Let's have a party
I love you, red solo cup
I lift you up

Proceed to partyProceed to party

Now, I've seen you in blue and I've seen you in yellow But only you, red, will do for this fellow'Cause you are the Abbot to my Costello

And you are the Fruit to my Loom

Red solo cup, you're more than just plastic

You're more than amazing, you're more than fantasticAnd believe me that I am not the least bit sarcastic

When I look at you and say
Red solo cup, you're not just a cup
(No! No! No! God, no!)You're my-you're my (Friend?) friend
(Friend, friend, Life-long)
Thank you for being my friend
Red solo cup
I fill you up

Let's have a party
Let's have a party
I love you, red solo cup
I lift you up
Proceed to party
Proceed to party
