

# Million Ways

HRVY

Sunday morning, I woke up with no one beside me  
Reaching out for you like you were still there  
Gave excuses like, "No labels, I'm not ready" Now I'm drowning in a sea of regret, yeah I'm not  
gonna say goodbye  
'Cause I'm gonna change your mind  
Let me love you, let me love you all day  
I got a million, got a million ways I'm not gonna give you up  
I got you, I swear to God  
Let me love you, let me love you all day  
I got a million, got a million, got a million ways  
Ooh, ooh, ooh  
Got a million, got a million, got a million  
Ooh, ooh, ooh, ooh  
Mmm, mmm  
Ooh, ooh, ooh  
Got a million, got a million, got a million  
Ooh, ooh, ooh, ooh Champagne sunset, breakfast in bed  
Away for the weekend, then do it again  
When I'm out late thinkin' of ya  
I'ma call ya, yeah  
Show you I care that no one compares  
When we get older, I wanna be there  
Swim a mountain, climb an ocean  
Do it for ya, no  
I'm not gonna say goodbye (oh, no)  
'Cause I'm gonna change your mind  
Let me love you, let me love you all day  
I got a million, got a million ways (a million ways) I'm not gonna give you up  
I got you, I swear to God (oh, yeah)  
Let me love you, let me love you all day  
I got a million, got a million, got a million ways Ooh, ooh, ooh  
Got a million, got a million, got a million  
Ooh, ooh, ooh, ooh  
Mmm, mmm  
(Oh) ooh, ooh, ooh, ooh  
Got a million, got a million, got a million (a million ways)  
Ooh, ooh, ooh, ooh How do I? (How do I?)  
Do I show you how to make? (How do I show you?)  
Make it right? (Make it right?)  
Instead of making more mistakes (same mistakes) I'm not gonna say goodbye  
Let me love you, let me love you all day  
I got a million, got a million, got a million ways Ooh, ooh, ooh

(Oh, no)  
Got a million, got a million, got a million  
Ooh, ooh, ooh, ooh  
Let me love you alone  
Ooh, ooh, oohGot a million, got a million, got a million (Oh, yeah)  
Ooh, ooh, ooh  
Let me love you like that  
Ooh, ooh, ooh, ooh  
Got a million, got a million, got a millionOoh, ooh, ooh  
Got, got, got a million ways  
Ooh, ooh, ooh  
Oh, got a million, got a million, got a million  
Ooh, ooh, ooh, ooh  
Yeah, yeah, oh
