

# Window In the Skies

U2

The shackles are undone  
The bullets quit the gun  
The heat that's in the sun  
Will keep us when there's none  
The rule has been disproved  
The stone it has been moved  
The grave is now a groove  
All debts are removed  
Oh can't you see what love has done?  
Oh can't you see what love has done?  
Oh can't you see what love has done?  
What it's done to me?  
Love makes strange enemies  
Makes love when love may please  
The soul in and striptease  
Hate brought to its knees  
The Sky over our head  
We can reach it from our bed  
If you let me in your heart  
And out of my head, head...  
Oh can't you see what love has done?  
Oh can't you see what love has done?  
Oh can't you see what love has done?  
What it's doing to me?  
Oh oh oh  
Oh oh oh Please don't ever let me out of you  
I've got no shame  
oh no oh no  
Oh can't you see what love has done?  
Oh can't you see?  
Oh can't you see what love has done?  
What it's doing to me?  
I know I hurt you and I made you cry  
Did everything but murder you and I  
But love left a window in the skies  
And to love I rhapsodize  
To every broken heart  
For every heart that cries  
Love left a window in the skies  
And to love I rhapsodize
