Weapon of Choice

Black Rebel Motorcycle Club

I gotta speak and you want to listen up
But there is no time to feast your eyes
You want it all but the world won't give it up
Up to the edge, your star will riseWhat is your weapon of choice?
What's your weapon of choice?

what's your weapon of choice?

There is no weapon to free us allWhat is your weapon of choice? What's your weapon of choice?

There is no weapon to free us all

I won't waste it, I won't waste it

I won't waste my love on a nation

I won't waste it, I won't waste it

I won't waste my love on a nationEveryone's got their own split factions Every pawn will pay its priceI've been digging out in all directions

I'll see you through to the afterlife

What is your weapon of choice? What's your weapon of choice? There is no weapon to free us all

What is your weapon of choice? What's your weapon of choice?

There is no weapon to free us all

I won't waste it, I won't waste it

I won't waste my love on a nationI won't waste it, I won't waste it

I won't waste my love on a nation

It's too hard to stand aside

It's enough to stop your heart

I won't waste it, I won't waste it

I won't waste my love on a nation

I won't waste it, I won't waste it

I won't waste my love on a nation

I won't waste it, I won't waste it

I won't waste my love on a nation

I won't waste it, I won'

t waste it

I won't waste my love on a nation
