Never Gonna Be the Same

Sean Paul

As the reality of the times take hold
We come to terms with the sadness we bear
Missin' the times we never get to share
Wo wo, wo wo, wo woJust a few words because we care
Still I got all the memories

Wo wo wo, wo woSay when mi look up inna mi life it's plain to see

That it's never gonna be the same

Take another step on towards my destiny

But the memories still remainDeep inna mi brain, inna mi soul I hold the key

Said it's never gonna be the same

Throughout life and beyond all eternity

Yo, we keep burnin' up the flame

Wish I could rewind all these hands of time

And bring back Daddigon a great bredrin of mine

I sit and remember all the things that we spoke of

All of the serious reasonings an' all di tings we make joke of Still cannot believe them took your life away

But those who pull the trigger cannot take away

The covenant the righteous have with Jah Jah

So I know I'll see you again my brother when mi thinkSay when mi look up inna mi life it's plain to see

That it's never gonna be the same

Take another step on towards my destiny

But the memories still remainDeep inna mi brain, inna mi soul I hold the key

Said it's never gonna be the same

Throughout life and beyond all eternity

Yo, we keep burnin' up the flame

Fi all the friends and families that have past on

Leavin' impressions and memories that will last on

Givin' thanks fi all the time that we know them

Reminisce them legacy that is what we owe themBecause they helped to make us who we are

So let us never forget and talk it near and far

Bless up Grandpa Lee and Aunt Chris-I

Can't forget you if I trySay when mi look up inna mi life it's plain to see

That it's never gonna be the same

Take another step on towards my destiny

But the memories still remain

Deep inna mi brain, inna mi soul I hold the keySaid it's never gonna be the same

Throughout life and beyond all eternity

Yo, we keep burnin' up the flame
