Every time our eyes meet This feeling inside me Is almost more than I can take Baby when you touch me I can feel how much you love me And it just blows me awayI've never been this close to anyone or anything I can hear your thoughts I can see your dreamsI don't know how you do what you doI'm so in love with you It just keeps getting better I wanna spend the rest of my lifeWith you by my side Forever and ever Every little thing that you do Baby I'm amazed by youThe smell of your skin The taste of your kiss The way you whisper in the darkYour hair all around me Baby you surround me You touch every place in my heart Oh it feels like the first time every time I wanna spend the whole night in your armsI don't know how you do what you do I'm so in love with youIt just keeps getting better I wanna spend the rest of my lifeWith you by my side Forever and ever Every little thing that you do Baby I'm amazed by you Every little thing that you do I'm so in love with you It just keeps getting better I wanna spend the rest of my life With you by my side Forever and ever Every little thing that you do Oh, yeah every little thing that you do Baby I'm amazed by you Song Discussions is protected by U.S. Patent 9401941.
