## **The One That You Love**

## **Air Supply**

Now the night has gone Now the night has gone away... Doesn't seem that long We hardly had two words to say... Hold me in your arms For just another day I promise this one will go slow Oh...We have the right to know We have the right to know Don't say the mornings come Don't say the mornings come so soon... Must we end this way When so much here is hard to lose... Love is everywhere I know it is Such moments as this Are too few Oh... It's all up to youIt's all up to you... Here I am The one that you love Askin' for another day Understand the one that you love Loves you in so many ways Ah... Tell me we can stayTell me we can stay oh please... They are the words to say The only words I can believe... Hold me in your arms For just another day I promise this one will go slow Oh... We have the right you knowWe have the right you know Here I amThe one that you love Askin' for another day Understand the one that you love Loves you in so many waysHere I am The one that you love Askin' for another day Understand the one that you love Loves you in so many ways The night has gone

A part of yesterday I don't know what to say... I don't know what to say... Here I am The one that you love Askin' for another day Understand The one that you love Loves you in so many ways... Here I am The one that you love Askin' for another day Understand the one that you love Loves you in so many ways Here I am The one that you love Askin' for another day Understand the one that you love Loves you in so many ways...
