

# Moving Blind (Cloonee Remix)

## Sonny Fodera & Dom Dolla

I'm moving blind  
We dance in time  
I'm on your floor She's out the door  
I'm gone again  
You need a friend  
I need a seat  
Can't feel my feet I'm moving blind (keep shakin' it)  
We dance in time (keep shakin' it)  
I'm on your floor (keep shakin' it)  
She's out the door (keep shakin' it)  
I'm gone again (keep shakin' it)  
You need a friend (keep shakin' it)  
I need a seat (keep shakin' it)  
Can't feel my feet (keep shakin' it)
