# Ryder Music 

## 50 Cent

Yeah, we can ride to this
Just lay back, crewHere's a taste of my life, it's bitter and sweet
I put my heart out to the sounds of the drums and the beat
I put my life on the line when I'm out on the street
Put my Teflon on and roll with my heatI keep my circle nice and small, I don't **** with these clown $* * * * *$ s
In a race for the cheese, I run laps around ${ }^{* * * * *}$ s Soon as I step on stage, the crowd applauds
Soon as my sneaker wear in stores, Reebok start soreI ain't gotta say I'm a boss, ${ }^{* * * * *}$ s can tell The east coast crib, the size of a small hotel
The $* * * *$ journalist write about me, get me confused
Have me feelin' like the heavy weight champ when he lose
I read somewhere, I'm homophobic ****
Go through the hood, there's mad $* * * * *$ s on my $* * * *$
Now we can get hostile or we can do this smooth
T\&T around, I can still make blow moveThis is what you call Ryder music
All the gangstas are ridin' to it, come on, let's roll
I can show ya how we do it
When we ride to that Ryder music, let's go, let's goThis is what you call Ryder music
All the gangstas are ridin' to it, come on, let's roll
I can show ya how we do it
When we ride to that Ryder music, let's go, let's goLast year, I woke up, a good look, damn it feels good
On the low, I done ${ }^{* * * * * *}$ half of Hollywood
Had your favorite actress from your favorite shows
In my favorite $* * * * * * * * *$, you know how it goes
In my Bentley bumpin' Prince ****, "This is when Thugs cry"
This is what it sounds like when $* * * * * * * * * * * * * *$ fly
Homie, this is somethin' you can ride and smoke to
 ***** made
They make you wanna run across they're head with a switch *****
They point their finger at me, sayin' I'm bug
My flows $* * * * *$ you listen, your $* * * * * * *$ brains on $* * * * *$ Look, ice drippin' on my neck, hands
grippin' on the ${ }^{* * *}$
Fool trippin' through the set, you can get ya ${ }^{* * *}$ whipped
Cards missin' out my deck, screws loose show respect
You try to come at me kid, your ${ }^{* * *}$ better come correctThis is what you call Ryder music
All the gangstas are ridin' to it, come on, let's roll I can show ya how we do it
When we ride to that Ryder music, let's go, let's goThis is what you call Ryder music

All the gangstas are ridin' to it, come on, let's roll
I can show ya how we do it
When we ride to that Ryder music, let's go, let's goMy mama gave birth to a winner, I gotta win Pray to Lord, forgive me for my sins
Still thuggin', cruisin', rims gleamin' like the stones on my wrist
Zonin', guess this is how it feels to be richHomie, you hustlin' backwards if you chasin' a ${ }^{* * * * *}$
Stupid, chase the paper, they come with the ${ }^{* * * *}$
I'm fallin', in love with success
Entrepeneure, kinda sewer, I maneuver the bestRowin', ruger on my lap, rubber grip on the handle
Stunt I'll have ya homies burn a rest in peace candle
As wise men speak, I listen and learn
A man dies, a baby's born, my ${ }^{* * * * * \text { s the world turnsRappers, I make 'em sick when I say I'm }}$ the ****
They mistake my confidence for arrogance, they hate on the kid
In '99, I had a vision and made a decision
Bein' broke is against my religion, now picked upThis is what you call Ryder music
All the gangstas are ridin' to it, come on, let's roll
I can show ya how we do it
When we ride to that Ryder music, let's go, let's goThis is what you call Ryder music
All the gangstas are ridin' to it, come on, let's roll
I can show ya how we do it
When we ride to that Ryder music, let's go, let's goThis is what you call Ryder music
All the gangstas are ridin' to it, come on, let's roll I can show ya how we do it
When we ride to that Ryder music, let's go, let's goThis is what you call Ryder music
All the gangstas are ridin' to it, come on, let's roll
I can show ya how we do it
When we ride to that Ryder music, let's go, let's go
