On the Street Where You Live

Alfie Boe

I have often walked down this street before But the pavement always stayed beneath my feet before All at once am I several stories high Knowing I'm on the street where you live And are there lilac trees in the heart of town? Can you hear a lark in any other part of town? Does enchantment pour out of every door? No, it's just on the street where you live And oh the towering feeling Just to know somehow you are near The overpowering feeling That any second you may suddenly appear People stop and stare, they don't bother me For there's nowhere else on earth that I would rather be Let the time go by and I won't care if I Can be here on the street where you live People stop and stare, they don't bother me For there's nowhere else on earth that I would rather be Let the time go by, I won't care if I Can be here on the street where you live Can be here on the street where you live Song Discussions is protected by U.S. Patent 9401941.
