## On the Backs of Angels

## **Dream Theater**

Standing on the backs of angels

Destined to create

Mounting the attack

While heroes carry your weightWe spiral towards disaster

Survival fading fasterRiding out the wave

Content to feed off the machine

Bleeding us to death

The new American dream

You're blinded by your hungerBeware, your days are numbered

Tears fall from the shameless

Shelter me

Guide me to the edge of the water

Selfless are the righteousBurden me

Lead me like a lamb to the slaughter

Blurring lines drawn in betweenWhat is right and what is wrong

Victims on the radar

String us along

We're on to your agenda

The dead end road to no where

Tears fall from the shameless

Shelter me, guide me to the edge of the water

Selfless are the righteous

Burden me

Lead me like a lamb to the slaughter

Tears fall from the shameless

Shelter me, guide me to the edge of the water

Selfless are the righteous

Burden me

Lead me like a lamb to the slaughter

Selfless are the righteous

Burden me

Lead me like a lamb to the slaughter
