

# Masterpiece (feat. Lecrae)

[Tori Kelly](#)

Ooh  
It's so crazy to me  
Ooh  
How mistakes can be  
Ooh  
A blessing in disguise  
Ooh  
Lord, I'm so glad You're making me  
A masterpiece  
Masterpiece (oh Lord)  
Hit me!  
When you look at me  
Do you see a work of art in the making?  
Sketch of what I've been  
Wonder what you see in me  
Like what do you think?  
When my life is not a melody in the morning  
And I feel [?], yeah  
Do you still believe in me?  
Like a symphony, hey  
You know how to make all things work together  
Crazy how mistakes can be miracles in disguise  
That's why tonight I pray  
Don't take your love away  
Forever in your embrace  
Without You I'm like a storm with no wind  
Tossed by the wind and sea  
And when I'm incomplete  
Just one request from me  
God take my heart forever, it's Yours  
Make me Your masterpiece  
When you look at me  
Do I make you smile like what your creating?  
Working patiently with me  
'Preciate that I am with You're time  
'Cause I want to be, aye  
Be the stone that You turn in to Your treasure  
Crazy how mistakes can be miracles in disguise  
That's why tonight I pray  
Don't take your love away  
Forever in your embrace  
Without You I'm like a storm with no wind  
Tossed by the wind and sea

And when I'm incomplete  
Just one request from me  
God take my heart forever, it's Yours  
Make me Your masterpiece  
Is what I want to be  
So I pray, don't take Your love away  
That's why tonight I pray  
Don't take your love away  
Forever in your embrace  
Without You I'm like a storm with no wind  
Tossed by the wind and sea  
And when I'm incomplete  
Just one request from me  
God take my heart forever, it's Yours  
Make me Your master  
Uh, now you know that You a masterpiece  
You probably feel like a catastrophe  
You in the mirror everyday saying "uh" like Master P  
Ain't really how it have to be  
Now hold up (listen)  
You acting totally different  
You gotta a whole new position  
You are the running Bobby Ricky whole new addition  
You think I'm kidding but hold up a minute  
Don't compare yourself with none of them  
You wanna wanna ain't no synonym  
A master artist take a mess and make a masterpiece  
And look at you, you been a gem (facts)  
Shinin'  
God take my heart forever, it's Yours  
Make me Your masterpiece
