

Sorry

Our Lady Peace

Today's a reason for living
Today's the blood from a stone
Today's the light from a candle
Helping us to find our way home
Today we carry each other
Today the past is a freak
Today is a time for forgiveness
You were never that good to me I'm sorry, I can't lie
I'm wasting too much time
Drowning, I've been blind
But I opened up my eyes
Sorry, I can't lie
So I'll just say goodbye
Goodbye, goodbye
Today's tasting the honey
Today's the strike of a match
Today's the lines in the pavement
Helping us to find our way back
Today's the crosses we carry
Today's the strength that we need
Today's the hand of an angel
You were not the kind to believe I'm sorry, I can't lie
I'm wasting too much time
Drowning, I've been blind
But I opened up my eyes
Sorry, I can't lie
So I'll just say goodbye
Goodbye, goodbye
Oh my day, oh my day, oh my god
Oh my day, oh my day, oh my god
Oh my day, oh my day, oh my god
Oh my god, oh my god Today we carry each other
Today we do what we should
Today's a time for forgiving
Today I wish I could I'm sorry, I can't lie
I'm wasting too much time
Drowning, I've been blind
But I opened up my eyes
Sorry, I can't lie
So I'll just say goodbye
Goodbye, goodbye Another lie, goodbye, goodbye
Another lie, goodbye, goodbye

Another lie, goodbye, goodbye
Another lie, goodbye, bye
