

I Miss My Dawgs

Lil Wayne

Yea, yea, yea, yea
This is the Carter, muthafucka, yea
An' in my building, I must keep it real
An' man, I miss the times, we would shine
You would keep on your side
You would teach me how to ride
An' you would teach me how to pry
Then we get on the line
An' go over our lines
We were in the same position
An' that's when you change position, shit
I never change an' I miss ya, an' it's strange but I never
forget ya
Throw that at you an' them bitches, homie
An' I know that ain't you wit that dissin' on me
That's why I never replied an' never will just let 'em live phony
If ya ever died I swear to God I got yo kids, homie
What's mine is theirs, I gotta give, homie
An' yea, we still a army in this bitch, homie
Yea, cash money still the shit, homie, shit homie
What's really real? Is you feelin' me, nigga?
That Hot Boy shit still in me, nigga, word the giggity, nigga
An' I ain't got time to speak the history
I miss you an' I know you missin' me, gizzle but
Man, I miss my dawgs
Many nights, club hoppin'
Many nights, we were blowin' trees
Many nights, we were hustlin'
Man, I miss my dawgs
Me an' you, through thick an' thin
Me an' you, to the very end
For only you I was in the game
Man, I miss my dawgs
Many nights, club hoppin'
Many nights, we were blowin' trees
Many nights, we were hustlin'
Man, I miss my dawgs
Me an' you, through thick an' thin
Me an' you, to the very end
For only you I was in the game
An' I remember when you came to the click
I had already made my name in the click, but you got famous an' shit
I got my solja rag an' dangled my shit
I was down to just to hang wit you shit
An' I banged to the boogie bang bang wit yo click
An' I ain't even from the 3, my hood was angry at me, shit
But I rose to my feet, played the post wit the heat
At them shows while you performed an' posed
I was waitin' for a nigga to jump, see I was
patient but was ready to duck
'Cuz you my brother chump
Real Gs never buckle up

But every family ain't filled wit gangstas that's real
 An' that's real an' I would never turn my
 back or turn ya down
 Even if you turned around, muthafucka
 But history is history
 I miss you an' I know you missin' me, Juve, but
 Man, I miss my dawgs
 Many nights, club hoppin'
 Many nights, we were blowin' trees
 Many nights, we were hustlin'
 Man, I miss my dawgs
 Me an' you, through thick an' thin
 Me an' you, to the very end
 For only you I was in the game
 Man, I miss my dawgs
 Many nights, club hoppin'
 Many nights, we were blowin' trees
 Many nights, we were hustlin'
 Man, I miss my dawgs
 Me an' you, through thick an' thin
 Me an' you, to the very end
 For only you I was in the game
 You was my nigga, my nerd, my joy, my herb
 My main muthafuckin' man, Turk
 My other, my partner, I was teacher, he was father
 I skilled, he schooled, we chilled, we moved
 We thug, we hung, we ate, we slept
 We lived, we died, I stayed, you left
 Remember how we played to the left
 An' we stayed out of trouble 'cuz we stayed to our self
 Member B an' Slim were leavin', hand
 the ki's over
 Tell me not to go Uptown an' we went straight to tha Nolia
 While I watched you reunite wit yo soljas
 An' yo' mom an' brothers, while I lied to the stunna
 Yea, those were the times, my brother
 Now I recognize real an' I honor my brother
 Yea, nigga sub mage my brother, the Squad's my brother
 The nigga you left behind is my brothers
 Man, I miss my dawgs
 Many nights, club hoppin'
 Many nights, we were blowin' trees
 Many nights, we were hustlin'
 Man, I miss my dawgs
 Me an' you, through thick an' thin
 Me an' you, to the very end
 For only you I was in the game
 Man, I miss my dawgs
 Many nights, club hoppin'
 Many nights, we were blowin' trees
 Many nights, we were hustlin'
 Man, I miss my dawgs
 Me an' you, through thick an' thin
 Me an' you, to the very end
 For only you I was in the game
