## Marina and The Diamonds

Froo-oo-oo-oot

Lalalalalala

Ju-u-u-uice

Lalalalalala I've seen seasons come and go

From winter sun to summer snow

This ain't my first time at the rodeo Nature ain't a fruit machine

She's gotta keep her credits clean

Good things come to those who wait

But I ain't in a patient phase It's summer time and I hang on a vine

They're gonna make me into sweet red wine

Hanging around like a fruit on a tree

Waiting to be picked, come on cut me free

Come on fill your cup up

Looking for some good luck

Good luck, good luck to you

Hanging like a fruit

Ready to be juiced

Juiced, juiced Living la dolce vita

Life couldn't get much sweeter

Don't you give me a reason

That it's not the right season

Babe, I love you a lot

I'll give you all I've got

Yeah, you know that it's true

I've been saving all my summers for you

I've been saving all my summers for you

Like froot, like froot

Baby, I am plump and ripe

I'm pinker than shepherd's delight

Sweet like honeysuckle late at night Leave it too long I'll go rot

Like an apple you forgot

Birds and worms will come for me

The cycle of life is complete I'm your carnal flower, I'm your bloody rose

Pick my petals off and make my heart explode

I'm your deadly nightshade, I'm your cherry tree

You're my one true love, I'm your destin Come on fill your cup up

Looking for some good luck

Good luck, good luck to you

Autumn, I'll be gone

Birds will sing their mourning song

Song Living la dolce vita

Life couldn't get much sweeter

Don't you give me a reason  
That it's not the right season  
Babe, I love you a lot  
I'll give you all I've got  
Yeah, you know that it's true  
I've been saving all my summers for you  
I've been saving all my summers for you  
Like froot, like froot Oh my body is ready  
Yeah it's ready, yeah it's ready for your love  
Oh my branches are heavy  
Yeah they're heavy, yeah they're heavy Living la dolce vita  
Life couldn't get much sweeter  
Don't you give me a reason  
That it's not the right season  
Babe, I love you a lot  
I'll give you all I've got  
Yeah, you know that it's true  
I've been saving all my summers for you  
I've been saving all my summers for you  
Like froot, like froot Living la dolce vita  
I'm in love  
Living la dolce vita  
I'm in love I'm in love
