

# Falling for You

Tamia

Could I be falling for you?  
Is this a fantasy come true?  
Is this a dream that I've waited for?  
Am I the one that you adore? I think I'm falling for you  
What am I supposed to do?  
'Cause you make me feel like I'm falling in love  
Am I falling for you? Could it be love, tell me boy, is it true?  
I get a rush when I think about you Lose control from my body and my soul  
And when you hold me, I don't want to let go  
Give me reason every reason  
Just to love you babe  
Everything that you do is so amazing  
I can't believe what your body  
Makes me wanna do  
I'm having visions of me all over you I think I'm falling for you  
What am I supposed to do?  
'Cause you make me feel like I'm falling in love  
Am I falling for you? But you must have known though I try to disguise  
The way I feel was there fire in my eyes?  
On that night when our bodies intertwined  
I knew right there and then that you will be mine Could I be falling for you?  
Is this a fantasy come true?  
Is this a dream that I've waited for?  
Am I the one that you adore?  
Adore, tell me  
I think I'm falling for you  
What am I supposed to do?  
'Cause you make me feel like I'm falling in love  
Am I falling for you? I think I'm falling for you  
What am I supposed to do?  
'Cause you make me feel like I'm falling in love  
Am I falling for you? Everyday you seem to find  
A way to make me go crazy  
I just can't understand  
But let me tell you one thing  
You make me wanna sing I think I'm falling for you  
What am I supposed to do?  
'Cause you make me feel like I'm falling in love  
Am I falling for you? I think I'm falling for you  
What am I supposed to do?  
'Cause you make me feel like I'm falling in love  
Am I falling for you? I think I'm falling for you

What am I supposed to do?  
'Cause you make me feel like I'm falling in love  
Am I falling for you? I think I'm falling for you  
What am I supposed to do?  
'Cause you make me feel like I'm falling in love  
Am I falling for you? Could I be falling for you?  
Is this a fantasy come true?  
Is this a dream that I've waited for?  
Am I the one that you adore? I think I'm falling for you  
What am I supposed to do?  
'Cause you make me feel like I'm falling in love  
Am I falling for you?
