

Hold On, We're Going Home

Kaysha

I got my eyes on you
You're everything that I see
I want your hot love and emotion endlessly
I can't get over you
You left your mark on me
I want your hot love and emotion endlessly Cause you're a good girl and you know it
You act so different around me
Cause you're a good girl and you know it
I know exactly how it could be
Just hold on we're going home
Just hold on we're going home
It's hard to do these things alone
Just hold on we're going home
I got my eyes on you
You're everything that I see
I want your hot love and emotion endlessly
I can't get over you
You left your mark on me
I want your hot love and emotion endlessly Cause you're a good girl and you know it
You act so different around me
Cause you're a good girl and you know it
I know exactly how it could be Just hold on we're going home
Just hold on we're going home
It's hard to do these things alone
Just hold on we're going home Just hold on we're going home
Just hold on we're going home
It's hard to do these things alone (Ouh ooh)
Just hold on we're going home (Going home)
You're the girl
You're the one
Gave you everything I love
I think there's something, baby
I think there's something, baby You're the girl
You're the one
Gave you everything I love
I think there's something, baby
I think there's something You're the girl
You're the one
Gave you everything I love
I think there's something
I think there's something, baby You're the girl
You're the one

Gave you everything I love
I think there's something
I think there's something, baby Just hold on we're going home.
