

# Hold On, We're Going Home

Kaysha

I got my eyes on you  
You're everything that I see  
I want your hot love and emotion endlessly  
I can't get over you  
You left your mark on me  
I want your hot love and emotion endlessly Cause you're a good girl and you know it  
You act so different around me  
Cause you're a good girl and you know it  
I know exactly how it could be  
Just hold on we're going home  
Just hold on we're going home  
It's hard to do these things alone  
Just hold on we're going home  
I got my eyes on you  
You're everything that I see  
I want your hot love and emotion endlessly  
I can't get over you  
You left your mark on me  
I want your hot love and emotion endlessly Cause you're a good girl and you know it  
You act so different around me  
Cause you're a good girl and you know it  
I know exactly how it could be Just hold on we're going home  
Just hold on we're going home  
It's hard to do these things alone  
Just hold on we're going home Just hold on we're going home  
Just hold on we're going home  
It's hard to do these things alone (Ouh ooh)  
Just hold on we're going home (Going home)  
You're the girl  
You're the one  
Gave you everything I love  
I think there's something, baby  
I think there's something, baby You're the girl  
You're the one  
Gave you everything I love  
I think there's something, baby  
I think there's something You're the girl  
You're the one  
Gave you everything I love  
I think there's something  
I think there's something, baby You're the girl  
You're the one

Gave you everything I love  
I think there's something  
I think there's something, baby Just hold on we're going home.
