Hold On, We're Going Home

Kaysha

I got my eyes on you
You're everything that I see
I want your hot love and emotion endlessly
I can't get over you

You left your mark on me

I want your hot love and emotion endlesslyCause you're a good girl and you know it

You act so different around me

Cause you're a good girl and you know it

I know exactly how it could be

Just hold on we're going home

Just hold on we're going home

It's hard to do these things alone

Just hold on we're going home

I got my eyes on you

You're everything that I see

I want your hot love and emotion endlessly

I can't get over you

You left your mark on me

I want your hot love and emotion endlesslyCause you're a good girl and you know it

You act so different around me

Cause you're a good girl and you know it

I know exactly how it could be Just hold on we're going home

Just hold on we're going home

It's hard to do these things alone

Just hold on we're going homeJust hold on we're going home

Just hold on we're going home

It's hard to do these things alone (Ouuh ooh)

Just hold on we're going home (Going home)

You're the girl

You're the one

Gave you everything I love

I think there's something, baby

I think there's something, baby You're the girl

You're the one

Gave you everything I love

I think there's something, baby

I think there's something You're the girl

You're the one

Gave you everything I love

I think there's something

I think there's something, babyYou're the girl

You're the one

Gave you everything I love I think there's something I think there's something, babyJust hold on we're going home.
