

# That's How Strong My Love Is

[Otis Redding](#)

That's How Strong My Love Is  
If I was the Sun way up there  
I'd go with love most everywhere  
I'll be the moon when the sun goes down  
Just to let you know that I'm still around.  
That's how strong my love is, woh  
that's how strong my love is.  
That's how strong my love is baby. baby  
that's how strong my love is.  
I'll be the weeping willow drowning in my tears  
And you can go swimming when you are here  
I'll be the rainbow after the tears are gone  
Wrap you in my colors and keep you warm.  
That's how strong my love is, darling  
That's how strong my love is, baby  
That's how strong my love is, woh  
That's how strong my love is.  
I'll be the ocean so deep and wide  
And catch all the tears whenever you cry  
I'll be the breeze after the storm is gone  
To dry your eyes and love you all warm.  
That's how strong my love is, baby  
That's how strong my love is now  
That's how strong my love is, darling  
That's how strong my love is, again now.  
That's how strong my love is, so deep and wide  
that's how strong my love  
So much to love, yes so much to love, woh  
there's so much love, there's so much love  
Anything the sun can do I will do it for you  
Any kind of love you want, I'll be with you.
