

Worry Bout It (feat. Fetty Wap)

Kirko Bangz

Shawty pulled up to the club, came down in a drop top, cool like me
She do everythin' on the low, you don't ever hear her name goin' around in these streets
You comin' down, the type of chick, take 3 months to lay her down
But what type of nigga do you think I am?
I play my role, I'mma stay in my lane
Your side nigga, you can keep your main
I keep it real girl, that's part of the game
Baby girl you know you fine
Just hit me on the line when you pull up to the house
And it's goin' down, we ain't gotta play around
Oh yeah
You say we ain't gotta tell nobody
I can keep a secret
Easy as countin' 1, 2, 3 Cuz you ain't gotta worry 'bout another nigga knowin' you a freak Girl,
you ain't got' worry 'bout another nigga knowin' you a freak 'bout it
Long as you wasn't a phony, you know we gon' play it back
Stay with your man and rules, but you know I got you for the weekend
Zoo Vier and Kirko Bangz, so you know this some G shit
You ain't got' worry 'bout it, worry 'bout it, worry 'bout it, worry 'bout it, yeah x 2 Long as you
wasn't a phony, you know we gonna play it back
You ain't gotta worry 'bout another nigga knowin' you a freak 'bout it So just hop in my ride, I
put some tint so they can't see up inside
Baby just tell me what you wan' do, me and you, oh yeah
I can keep it player when you chilling with your nigga I ain't coming throw Just keep it real with
me, cuz a nigga like me keep it trill with you
And just save my name up in your phonebook girl
As Ebony, Toya, Tisha, your mamma, your brother, your cousin, your nieces, your aunty, your
uncle, your neighbor, your preacher
You say we ain't gotta tell nobody
I can keep a secret
Easy as countin' 1, 2, 3
Cuz you ain't gotta worry 'bout another nigga knowin' you a freak
Girl, you ain't got' worry 'bout another nigga knowin' you a freak 'bout it
Long as you wasn't a phony, you know we gon' play it back
Stay with your man and rules, but you know I got you for the weekend
Zoo Vier and Kirko Bangz, so you know this some G shit
You ain't got' worry 'bout it, worry 'bout it, worry 'bout it, worry 'bout it, yeah x 2
Long as you wasn't a phony, you know we gonna play it back
You ain't gotta worry 'bout another nigga knowin' you a freak 'bout it
She do everythin' on the low, she do everythin' on the low
You ain't got' worry 'bout it, worry 'bout it, worry 'bout it, worry 'bout it x 2
Long as you wasn't a phony, you know we gonna play it back

You ain't gotta worry 'bout another nigga knowin' you a freak babe
