

# Planet Queen

T. Rex

The planet queen perchance to dream  
She used my head like an exploder  
The planet queen The worlds the same I am to blame  
She used my head like a revolver  
The world's the same Well it's all right  
Love is what she want  
Flying saucer take me away  
Give me your daughter Well it's all right  
Love is what she want  
Flying saucer take me away  
Give me your daughter  
Dragon head machine of lead  
Cadillac king dancer in the midnight  
Dragon head The planet queen perchance to dream  
She used my head like a revolver  
The world's the same Well it's all right  
Love is what she want  
Flying saucer take me away  
Give me your daughter Well it's all right  
Love is what she want  
Flying saucer take me away  
Give me your daughter The dragon head machine of lead  
Cadillac king dancer in the midnight  
Dragon head  
The planet queen perchance to dream  
She used my head like a revolver  
The planet queen Well it's all right  
Love is what she want  
Flying saucer take me away  
Give me your daughter Well it's all right  
Love is what she want  
Flying saucer take me away  
Give me your daughter Well it's all right  
Love is what she want  
Flying saucer take me away  
Give me your daughter Give me your daughter  
Give me your daughter  
Give me your daughter
