

# I Wanna Go Back

Eddie Money

I was listening to the radio  
I heard a song reminded me of long ago  
Back then I thought that things were never gonna change  
It used to be that I never had to feel the pain  
I know that things will never be the same now I wanna go back  
And do it all over again  
But I can't go back I know  
I wanna go back  
Cause I'm feeling so much older  
But I can't go back I know I recall hanging out on Friday night  
The first slow dance  
Hoping that I'll get it right  
Back then I thought I'd never ever stand alone  
It used to be that a lonely heart was never shown  
I know that things will never be the same  
I wanna go back  
And do it all over again  
But I can't go back I know  
I wanna go back  
Cause I'm feeling so much older  
But I can't go back I know Can't go back I can't go back I know now that things will never be the  
same I said  
I wanna go back  
And do it all over again  
But I can't go back I know  
I wanna go back  
Cause I'm feeling so much older  
But I can't go back I know  
I wanna go back  
And do it all over again  
But I can't go back I know  
I wanna go back  
Cause I'm feeling so much older  
But I can't go back I know I wanna go back  
And do it all over again  
But I can't go back I know  
I wanna go back  
Cause I'm feeling so much older  
But I can't go back I know No, No  
And do it all over...
