

# Just You and I

Tom Walker

Let's get drunk  
I'll pour my heart out through my mouth  
This year's been hard for us no doubt  
Let's raise a glass  
to a better one  
And all the things that we've overcome  
Are bring home to us 'cause  
Me and you we can hold this out  
Only you understand how I'm feeling now  
Yeah  
And I know, I can tell you anything  
You won't judge, You're just listening  
'Cause you're the best thing that ever happened to me  
'Cause my darling, You and I could take over the world  
And one step at a time, just you and I (Just you and I)  
'Cause you're the only one, who brings light just like the sun  
One step at a time, just you and I (Just you and I)  
Let's get drunk  
We'll reminisce about the days  
When we were broke, not getting paid  
And taking trips on the weekend  
When I would drop down to see you  
And we would paint the town  
Too many chugs, I'll be passing out  
Cause I can never keep up (?)  
Now I'm puking open  
And I know, I can tell you anything  
You won't judge You're just listening,  
yeah  
'Cause you're the best thing that ever happened to me  
'Cause my darling, You and I  
Could take over the world  
And one step at a time, just You and I (Just you and I)  
'Cause you're the only one, who brings light just like the sun  
One step at a time, just You and I (Just you and I)  
Tired of chasing paper  
Staring at this screen  
Been saving up for weeks now  
Just to get to You, my dear  
And though You're far from my home  
This ain't no weekend bar  
And oh my heart grows fonder  
Must be city love  
'Cause my darling, you and I  
Could take over the world  
And one step at a time, just you and I (Just you and I)  
'Cause my darling, you and I  
Could take over the world

And one step at a time, just you and I (Just you and I)  
'Cause you're the only one, who brings light just like the sun  
One step at a time, just you and I (Just you and I)  
Yeah, one step at a time, just you and I Yeah, one step at a time, just you and I
