

The Search Is Over

Survivor

How can I convince you
What you see is real
Who am I to blame you
For doubting what you feel I was always reachin'
You were just a girl I knew
I took for granted
The friend I had in you
I was living for a dream Loving for a moment
Taking on the world
That was just my style
Now I look into your eyes
I can see forever
The search is over
You were with me all the while
Can we last forever
Will we fall apart At times it's so confusing
The questions of the heart
You followed me through changes
And patiently you'd wait
'Till I came to my senses through
Some miracle of fate I was living for a dream
Loving for a moment
Taking on the world
That was just my style
Now I look into your eyes
I can see forever
The search is over
You were with me all the while
Now the miles stretch out behind me
Loves that I have lost
Broken hearts lie, victims of the game Then good luck, it finally struck
Like lighting from the blue
Every highway's leading me back to you
Now at last I hold you
Now all is said and done
The search has come full circle
Our destinies are one
So if you ever loved me
Show me that you give a damn
You'll know for certain
The man I really am
I was living for a dream

Loving for a moment
Taking on the world
That was just my style
Then I touched your hand
I could hear you whisper
The search is over
Love was right before my eyes
