

# The Search Is Over

## Survivor

How can I convince you  
What you see is real  
Who am I to blame you  
For doubting what you feel I was always reachin'  
You were just a girl I knew  
I took for granted  
The friend I had in you  
I was living for a dream Loving for a moment  
Taking on the world  
That was just my style  
Now I look into your eyes  
I can see forever  
The search is over  
You were with me all the while  
Can we last forever  
Will we fall apart At times it's so confusing  
The questions of the heart  
You followed me through changes  
And patiently you'd wait  
'Till I came to my senses through  
Some miracle of fate I was living for a dream  
Loving for a moment  
Taking on the world  
That was just my style  
Now I look into your eyes  
I can see forever  
The search is over  
You were with me all the while  
Now the miles stretch out behind me  
Loves that I have lost  
Broken hearts lie, victims of the game Then good luck, it finally struck  
Like lightning from the blue  
Every highway's leading me back to you  
Now at last I hold you  
Now all is said and done  
The search has come full circle  
Our destinies are one  
So if you ever loved me  
Show me that you give a damn  
You'll know for certain  
The man I really am  
I was living for a dream

Loving for a moment  
Taking on the world  
That was just my style  
Then I touched your hand  
I could hear you whisper  
The search is over  
Love was right before my eyes
