

The Middle

Zedd, Maren Morris & GREY

[Verse 1: Maren Morris]

Take a seat

Right over there, sat on the stairs

Stay or leave

The cabinets are bare and I'm unaware

Of just how we got into this mess

Got so aggressive

I know we meant

All good intentions [Pre-Chorus: Maren Morris]

So pull me closer

Why don't you pull me close

Why don't you come on over

I can't just let you go

[Chorus: Maren Morris]

Oh baby

Why don't you just meet me in the middle

I'm losing my mind just a little

So why don't you just meet me in the middle

In the middle

Baby

Why don't you just meet me in the middle

I'm losing my mind just a little

So why don't you just meet me in the middle

In the middle [Verse 2: Maren Morris]

Take a step

Back for a minute, into the kitchen

Floors are wet

And taps are still running, dishes are broken

How did we get into this mess

Got so aggressive

I know we meant

All good intentions

[Pre-Chorus: Maren Morris]

So pull me closer

Why don't you pull me close

Why don't you come on over

I can't just let you go [Chorus: Maren Morris]

Baby

Why don't you just meet me in the middle

I'm losing my mind just a little

So why don't you just meet me in the middle

In the middle [Bridge: Maren Morris]

Looking at you I can't lie
Just pouring out admission
Regardless my objection
And it's not about my pride
I need you on my skin just
Come over, pull me in just[Pre-Chorus: Maren Morris]
Oh, Baby
Why don't you just meet me in the middle
I'm losing my mind just a little
So why don't you just meet me in the middle
In the middle, no no[Chorus: Maren Morris]
Baby
Why don't you just meet me in the middle
I'm losing my mind just a little
So why don't you just meet me in the middle
In the middle
Baby
Why don't you just meet me in the middle
Baby, I'm losing my mind just a little
So why don't you just meet me in the middle, middle
In the middle, middle
