

# All My Friends Say

Luke Bryan

I got smoke in my hair  
My clothes, thrown everywhere  
Woke up in my rocking chair  
Holding a beer in my hand  
Sporting a neon tan My stereo cranked up  
I can't find my truck  
How'd I get home from the club?  
Ain't got a clue what went down  
So I started calling around And all my friends say  
I started shooting doubles  
When you walked in All my friends say  
I went a little crazy  
Seeing you with him  
You know, I don't remember a thing  
But they say I sure was raising some Cain  
I was a rock star, party hard  
Getting over you comeback kid Yay, I must have did  
What all my friends say  
Yeah, yeah, yeah I found my billfold, I cried, oh, no, no  
Good time Charlie got me, now I'm broke  
But it was worth acting like a fool  
Yeah girl, I must have really showed you 'Cause all my friends say  
I started shooting doubles  
When you walked in All my friends say  
I went a little crazy  
Seeing you with him  
You know, I don't remember a thing  
But they say I sure was raising some Cain  
I was a rock star, party hard  
Getting over you comeback kid Yay, I must have did  
What all my friends say  
(Yeah, yeah, yeah) I was Elvis rocking on the bar  
Working the crowd, pouring out my heart And all my friends say  
I started shooting doubles  
When you walked in All my friends say  
I went a little crazy  
Seeing you with him You know, I don't remember a thing  
But they say I sure was raising some Cain  
I was a rock star, party hard  
Getting over you comeback kid Yay, I must have did  
What all my, all my friends say  
(All my)

Yeah, yeah, yeah That's what all my friends say  
(Yeah, yeah, yeah)  
That's what all my friends say  
(Yeah, yeah, yeah) That's what all my friends say  
(Yeah, yeah, yeah)  
All my friends say  
Yeah, yeah, yeah
