

Blockhead

Devo

Never leaves a gap unfilled
Always pays on time
Always fits the bill
He comes well prepared
Cube top, squared-off
Eight corners, 90 degree angles
Flat top, stares straight ahead
Stock parts, blockhead
Never tips over
Stands up on his own
He is a blockhead
Thinking man full grown
He comes well prepared
Cube top, squared-off
Eight corners, 90 degree angles
Flat top, stares straight ahead
Snake eyes, blockhead
Flat top, stares straight ahead
Stock parts, blockhead
Never tips over
Stands up on his own
He is a blockhead
Thinking man full grown
He comes well prepared
Cube top (Blockhead)
Squared-off (Blockhead)
Eight comers (Blockhead)
90 degree angles
Flat top (Blockhead)
Stares straight ahead (Blockhead)
Snake eyes (Blockhead)
Blockhead (Blockhead)
Cube top (Blockhead)
Squared-off (Blockhead)
Eight corners (Blockhead)
90 degree angles
Flat top (Blockhead)
Stares straight ahead (Blockhead)
Stock parts (Blockhead)
Blockhead (Blockhead)
